LAST NIGHT'S FIRE.

The New Home of E. E. Silvers Totally Destroyed.

The new house recently erected for E. E. Silvers, on West street, just north of Bridge street, was destroyed by fire last night about 12 o'clock. The first house north and the first house south were badly damaged. The loss to Mr. Silvers is \$800, with an insurance of \$500. The house on the north is owned and occupied by Henry Garber, whose loss is about \$300. The house on the south, owned by John Moore, was damaged \$200. Both are insured. The house owned by Silvers was just completed and was unoccupied. The fire is believed to have been of incendiary origin.

GOSPEL TEMPERANCE.

The Sunday Meetings Attract Very Large Audiences.

The gospel temperance meetings conducted under the direction of the I. O. G. T. in their hall on South Division street each Sunday afternoon are steadily growing in interest. The congregations are becoming so large that the hall is hardly adequate to accommodate them. The meeting yesterday drew an unusually large crowd and many were not able to gain admittance. It is the opinion of many of the order that new quarters will soon have to be procured for their Sunday meetings.

J. E. Keegan Succeeds the Late S. D. Bradley.

Variety the Spice of Life.

There is nothing benefits mankind so much as change, even if it's only a change of linen. Just what we mean to convey is that too much of any one thing becomes monotonous. The

clerk, tied for hours to his desk, seeks relaxation on his flying wheel; the policeman, on his feet for hours, finds relaxation in an easy chair by his, or any other friend's fireside; a man, badgered by a shrew of a wife, seeks relaxation by tilting a can over his head, and as the beer disappears, he gazes with constipation at his collected countenance at the bottom of the growler. Even at the theater how many plays are monotonous when all on the one theme; how a bit of sentiment is relieved by a hearty laugh, a merry dance or comic song. And if "variety is the spice of life," it reaches perfection in the great comedy, "She Couldn't Marry Thren."

News of the City.

Awarded the Vault Contract.

The price agreed upon is reported to be \$2000 less than the amount called for by the former contract with the Fenton Metallic company.

the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

COMPRESSED YEAST!

TO OUR PATRONS—THE LADIES:

Owing to the many worthless imitations of our Compressed Yeast, which are now, and have been for some time past, flooding the market, we have concluded to put our best quality of Yeast up in tin foil expressly for family use in a uniform size cake, under our yellow label and signature, warranting each cake. By buying it in this shape you will get our best Yeast in all its purity and strength; you will get from the same size cake each time, sufficient for a baking of from 4 to 8 pounds of flour, and you will avoid the uncertainty of inferior grades of yeast being palmed off on you as our Yeast. We find it absolutely necessary to adopt this method of putting our Yeast on the market, to protect ourselves and patrons from fraud and imposition. If you will ask your grocer for our Yeast in Tin Foil and examine the label, you will always avoid the loss and annoyance of poor bread.

Respectfully yours,

FLEISCHMANN & CO.,

Original manufacturers and Introducers of COMPRESSED YEAST into the United States.

"The truth, the whole truth, and nothing but the truth."

That's what you ought to know about the thing you wash with. What good soap doesn't hurt, Pearlina cannot. That's only part of the truth. Pearlina washes and cleans without the rubbing and scrubbing that wear things out—without the work that makes women old. Half your labor is spared by it; twice the work is done with it; time and money are saved by it. "Nothing but the truth" is the best policy for us; "nothing but Pearlina" is the best policy for you; but perhaps you use Pearlina. Millions do.

Peddlers and some unscrupulous grocers will tell you, "this is as good as" or "the same as Pearlina." IT'S FALSE—Pearlina is never peddled, and if your grocer sends you something in place of Pearlina, the honest thing to do is—send it back.
